ABOUT PACKWELL

Packwell Manufacturing is the region's leading packaging company located in Umm al-Quwain, UAE, with a sales office in Dubai, specialized in providing innovative solutions by a skilled team for real-time challenges faced in the packaging industry.

Offering an extensive product portfolio and customizable options designed for every sector in the market, mostly including paper items, aluminium containers, hygiene products, and biodegradable solutions, we aim at reducing waste and promoting sustainability. We proudly serve in the consumer goods, retail, hospitality, and healthcare divisions, addressing issues such as compliance with hygiene regulations and the need for durable packaging.

Certified by ESMA, HACCP, and ISO, we maintain the highest standards of quality and hygiene. With a commitment to excellence, we have successfully delivered over 500 million products, making us a trusted partner in your packaging journey.

Printed kraft paper bag

Eco-Friendly Branding with Style

Enhance your brand with our eco-friendly Printed Kraft Paper Bags, made from durable, natural paper and available in two elegant colors—white and brown.

These bags are designed to combine style, functionality, and sustainability, making them the ideal choice for shopping, delivery, and branding needs.

Bio-Degradable Products

Sustainable. Safe. Smart.

we are committed to protecting the environment while delivering high-quality packaging solutions. Our range of bio-degradable products is designed to reduce environmental impact without compromising on functionality, strength, or hygiene.

Made from eco-friendly materials like cornstarch, bagasse, and other plant-based fibers, our products naturally break down over time—leaving no harmful residue behind. Ideal for food service, catering, events, and retail use.
